CHILDHOOD UNPLUGGED

A Movement for Screen-Free Childhoods

Childhood, Unplugged is Pegasus parent engagement initiative dedicated to helping families create healthier, more connected, and screen-free childhoods.

Because raising a screen-free child should never feel like a journey parents take alone.

For Parents,
Practical guidance and support.

For children,
Stronger habits, happier childhoods.

For Communities,
Stronger together, better outcomes.

WHY CHILDHOOD, UNPLUGGED EXISTS

Today's parents face a challenge no previous generation has encountered.
